July 31, 2019

Greetings Lithonia High Community and Friends,

I hope that you have enjoyed your summer vacation. As your proud principal, I am pleased to welcome you back for another awesome year at Lithonia High School!

This year our administrators, faculty, staff, and students will “Soar to New Heights” as we set no limits to teaching and learning.

In addition, we are excited about our opportunity to release the power of Collective Teacher Efficacy (CTE). We are asking all bulldogs to bring their insatiable desire to learn, share, and serve as we kickoff the 2019-2020 school year.

It is our mission to create a professional learning community with an unrelenting focus on learning and results. Together, we will fulfill our mission.

We are so excited about our students’ future. We hope our excitement is contagious!

Sincerely,

A handwritten signature in blue ink, appearing to read "D. McCray", is written over a horizontal line.

Darrick McCray
Principal
